**University College Dublin Info Session**
Wed, Feb. 9th, 12pm, CUE 321
Deirdre Healey, the Exchange Coordinator for UCD, will give a presentation about University College Dublin and life in Ireland. Come meet her and ask her any questions you may have about UCD.

**Study Abroad Fair**
Wed, Feb. 9th, 4-7pm, Rome Ballroom
If you are thinking about going abroad, come to the Study Abroad Fair to learn about all of the exciting opportunities available to you and speak to representatives from various international programs.
For more information, visit studyabroad.uconn.edu or email studyabroad@uconn.edu

---

**EcoHouse**
Looking for a way to get rid of old house wares for a good cause and reduce environmental impact? Help EcoHouse reduce the use of disposables!
EcoHouse is asking CUE staff members to donate any old mugs and utensils (forks, knives, spoons) that they have. The items should be used and do not need to match. All donations can be dropped off in the First Year Programs and Learning Communities Office, CUE 235
For more information, contact Emily Bowling at emily.bowling@uconn.edu

**Office of Undergraduate Research**

**2011 Summer Undergraduate Research Fund Award Competition**
Applications due Wednesday, Feb. 9th
The UConn Summer Undergraduate Research Fund (SURF) supports University of Connecticut full-time undergraduate students who are engaged in summer research or creative projects under the supervision of a University of Connecticut faculty member. Administered through the Office of Undergraduate Research, SURF awards are available to students in all majors at all UConn campuses. SURF project proposals are reviewed by faculty committees representing all schools and colleges, and SURF awards are awarded through a competitive process. All application materials must be submitted in hard copy to CUE 416 on Wednesday, Feb. 9th by 5pm.
Instructions, tips, and application materials can be found at [http://www.our.uconn.edu/surf.php](http://www.our.uconn.edu/surf.php).

**Office of National Scholarships**

**Rhodes, Marshall, Mitchell, and Gates Scholarships**
Tues, Feb. 15th, 4pm, CUE 420
Come learn about some of the most prestigious scholarships available to students for graduate study in the UK. High-achieving students from any discipline are eligible to apply for nomination. Nominees are typically selected in the spring of their junior year (with national applications due in the fall), but seniors and in some cases early graduate students are also eligible. Underclassmen should also come and learn about the process and what makes a strong national scholarship candidate. This workshop is open to the entire university community.
For more information about this event, email ons@uconn.edu or visit ons.uconn.edu.

---

**AAC**
Visit the Academic Achievement Center for help with time management, stress, test preparation, reading strategies, note taking, and more! Work one on one with a coach to study smarter this semester.
The AAC is open Monday-Thursday, 4-8pm and is located in the CUE Atrium. For more information, visit aac.uconn.edu.

- **Study Abroad:** Fall 2011 Program Applications Due 3/15
- **Registrar:** Last Day to Drop a Course and Receive a W 3/28

Other information about events at the CUE building can be found at cue.uconn.edu

If you would like to include information in the “This Week at the CUE!” about events, information sessions or workshops taking place in the CUE, please send an email to cueinfo@uconn.edu. Information is needed at least one week in advance.
The Quantitative Learning Center (Q Center) is a resource for students taking quantitative intensive courses (Q) across the undergraduate curriculum. The Q Center is designed to support in-class learning and instruction by providing assistance to students via free drop-in peer tutoring, review sessions, and the creation of innovative learning tools. We assist Q faculty to incorporate best practices in their teaching, and serve as a clearinghouse for information about Q resources and discussion of Q issues within the university.

As a reminder, the Q Center is located on first floor of the Homer Babbidge Library, our hours of tutoring operations are Monday through Thursday, 11am to 11pm and Sundays, 1pm to 11pm, and we offer tutoring for:

- MATH 1011 - 1152
- STAT 1000, 1100
- PHYS 1010 - 1602
- CHEM 1124 - 1128
