UConn Election Week
All UConn students have the opportunity to vote online in the following elections: Undergraduate Student Government (USG), Undergraduate Student Member of the Board of Trustees, Student Representative to the UConn Foundation Board of Directors, Co-op Board of Directors, and the Graduate Student Senate.
Voting ends Thursday at 5pm. To learn more about each election and its candidates, visit elections.uconn.edu.
Vote today at vote.uconn.edu.

First Year Experience
Fall 2011
Are you looking for another class to add to your schedule? Sign up for an INTD 1820 course! These small, discussion-oriented interactive classes are a great experience for first and second year students, and each one is focused on a specific area of interest. Every one-credit INTD seminar is taught by a senior faculty member at UConn, and they are perfect for students looking to explore a major or creative topic that interests them.
For a complete list of INTD 1820 seminars and their descriptions, go to web.uconn.edu/fye/index.htm

Please contact Jaclyn Calovine at jaclyn.calovine@uconn.edu with any questions.

Deadlines
Registrar: Last Day of Spring 2011 Classes 4/29
Registrar: Spring 2011 Final Examinations Begin 5/2
Summer Session: Last Day to Add/Drop Class for the May Summer Session Term 5/8

If you would like to include information in the “This Week at the CUE” about events, information sessions or workshops taking place in the CUE, please send an email to cueinfo@uconn.edu. Information is needed at least one week in advance.

Other information about events at the CUE building can be found at cue.uconn.edu
The Quantitative Learning Center (Q Center) is a resource for students taking quantitative intensive courses (Q) across the undergraduate curriculum. The Q Center is designed to support in-class learning and instruction by providing assistance to students via free drop-in peer tutoring, review sessions, and the creation of innovative learning tools. We assist Q faculty to incorporate best practices in their teaching, and serve as a clearinghouse for information about Q resources and discussion of Q issues within the university.

As a reminder, the Q Center is located on first floor of the Homer Babbidge Library, our hours of tutoring operations are Monday through Thursday, 11am to 11pm and Sundays, 1pm to 11pm, and we offer tutoring for:

- MATH 1011 - 1152
- STAT 1000, 1100
- PHYS 1010 - 1602
- CHEM 1124 - 1128
