University Scholar Program

University Scholar Info Session
Mon, April 25th, 12pm, CUE 134
The University Scholar Program is one of the most prestigious programs for undergraduates at the University of Connecticut. This highly-selective program offers motivated and academically-talented students the flexibility to craft individualized plans of study during their last three semesters. Students can apply during the first semester of their junior year. For application materials and more information about the University Scholar Program, go to:
us.uconn.edu

Enrichment Programs

Student Fulbright Grant Info Session
Mon, April 18th, 7pm, Homer Babbidge Library, Class of 1947 Room
The U.S. Student Fulbright Program provides grants for graduate study, research, and teaching English abroad. Graduating seniors, graduate students and students who have recently completed an undergraduate degree and who are US citizens at the time of application, are eligible for Fulbright grants for postgraduate study and/or research abroad.
For more information, go to:
fulbright.uconn.edu or contact Elizabeth Mahan at elizabeth.mahan@uconn.edu

Summer Session 4: May 31st-August 19th
For payment dates, add/drop dates, and additional information about Summer Session, visit:
summersession.uconn.edu/summer

Southapalooza 2011

UConn's annual Southapalooza is sponsored by the Resident’s Hall Association. This event has attractions for everyone to enjoy, including a mechanical bull, rock climbing wall, bungee jumping, and more.
Live entertainment will be sponsored by SUBOG, and there will be a cookout brought to you by Dining Services. You can also cheer on your friends and classmates during Oozeball and Double Dare, and there will be free giveaways for those in attendance!
This is an event you don't want to miss! Be sure to stop by Southapalooza on Saturday, April 16th from 10am to 5pm on the South Campus Lawn.

Deadlines

Registrar: Last Day of Spring 2011 Classes
4/29
Registrar: Spring 2011 Final Examinations Begin
5/2
Summer Session: Last Day to Add/Drop Class for the May Summer Session Term
5/8

If you would like to include information in the “This Week at the CUE” about events, information sessions or workshops taking place in the CUE, please send an email to cueinfo@uconn.edu. Information is needed at least one week in advance.
The Quantitative Learning Center (Q Center) is a resource for students taking quantitative intensive courses (Q) across the undergraduate curriculum. The Q Center is designed to support in-class learning and instruction by providing assistance to students via free drop-in peer tutoring, review sessions, and the creation of innovative learning tools. We assist Q faculty to incorporate best practices in their teaching, and serve as a clearinghouse for information about Q resources and discussion of Q issues within the university.

As a reminder, the Q Center is located on first floor of the Homer Babbidge Library, our hours of tutoring operations are Monday through Thursday, 11am to 10pm and Sundays, 1pm to 10pm, and we offer tutoring for:

- MATH 1011 - 1152
- STAT 1000, 1100
- PHYS 1010 - 1602
- CHEM 1124 - 1128
