Instructors make sure that you attend an “Instructor Training and Workshop” session. There is one coming up on October 11th and the workshops name is: Grading reaction papers. Its in room 234 of the CUE from 12pm-1pm.

Interested in seeing the world? Have questions about how you will pay for it? You can speak to an advisor for a specific country, talk to anyone available at the time, or you can make an appointment. Applications are still open for winter 2011 in India!

Its that time of the semester that everyone needs to meet up with their advisor to talk about classes and other opportunities during the year. Visit the ACES office soon.
