The end of the semester is finally here! The FYP & LC office would like to applaud all of the staff in the CUE building for a job well done this Fall semester. With that being said, there will be a nice amount of traffic through the CUE building for final’s week. Please support the students in any way possible, so that they can end this semester on the right terms.

Thank you, and may everyone have a nice and safe Holiday break!
